“ We wanted you to know how much your dad brought to our lives. My mom and dad bought flowers from him on a regular basis. They would visit and talk about old times in Tyler. Mama always worried that he was getting to hot sitting in his truck. She wanted to make sure he had something to drink when they went to buy flowers. We never knew it was your dad until about a year or so ago. His great smile and gracious spirit will live with us forever. May God bless during your time of sorrow.
