“ I worked with Eddie during the time he was employed by Sleepy Anesthesia. I never worked with a more kind, compassionate person and was a truly gifted anesthetist. He was a true blessing to me and I am thankful to have known him. L.J. Skillman (Christus Winnsboro)

“ Uncle Eddie shared with me his love and knowledge of photography! We would squeezed into the closet size bathroom of my grandparents outdoor kitchen where he hovered over me while I stood in front of the pedestal sink and he gently moved my hand to developed the pictures in his “dark room”. The smell was awful but I endured, as he always made me feel so special giving me his attention and teaching me what seemed like magic! These moments were few and far between because he was “always” studying and my grandmother forbidden me from disturbing him! Uncle Eddie Luke, you will always hold a special place in my heart and memory; until we meet again, Love Rachel Fontenot
