“ I worked with Ed from the first day of his employment until I retired after 40 years. Ed continued working and he was instrumental in the success of our firm as he served in many capacities. Always a gentlemen, a polished salesman and a representative of everything good in the insurance industry. I was privileged to be his friend. May he rest in peace surrounded by those he loved and who have gone before.

“ I will always remember Ed as being the tall guy with the gentle disposition. Once the CL office in Tyler closed, Ed made it a point to keep in touch and we would enjoy mexican food for lunch. A lovely man and admired friend that I will miss dearly. Rest in peace, Ed.

“ I only worked at L-N for two years (1982-1984); however, I knew Ed from typing the tapes he sent in to the Home Office in Tyler. Although, I never met any of his family, he was a really nice man and I am so sorry for your loss. My prayers are with each of you.

I know your loss is great and you will miss him forever. My prayers are that you will continue to keep his spirit alive through the knowledge that he loved his family dearly.

My sincere condolences. I miss knowing he is not with us anymore.

“ Georgetta - I regret Edith & I are unable to attend the Visitation. We both have under the weather for a couple of weeks. Please accept our sincere sympathy. Ed was a very good friend for many years both at work and outside of work. I know you and your family will miss him very much. I enjoyed his E-mails as long as he could send them and always enjoyed seeing you both at the Quarter Century Club. I am sure all of the members will miss him also.

“ Ed was one of my favorite people that I got to know while working in Tyler with him. He is a super fine gentlemen and everyone felt that way toward Ed. He was a professional and role model. I wish I would have had the opportunity to meet him years earlier.

“ The beginning of our friendship coincided with my employment with Lindsey & Newsom in 1985. At a time when I had just left a failed career in farming, Ed was always there to encourage and help, especially when I had doubts, fears, and/or discouragements. He just seemed to know when I needed him and he was always there for me. He was always a friend I could call on to respond without fail and he always did just that. Through the years I watched him exemplify patience, kindness, professionalism, and friendship to so many. Ed will always hold a very special place in my heart and I feel fortunate and blessed to have been able to be his friend. He will be greatly missed but I do have consolation knowing he is in a better place, surrounded by the love that was such a part of his character and life.

“ Quick with a smile, always a joke, and a gentle giant among men. If John Wayne had a brother it would have been Ed. Tall in the saddle, kind heart, and a tough man whoes life was reflected in his face and eyes. I was on the Broker side and he was the consument salesman.

I trusted him in business, and admired him as a person. I told Ed one day when we completed a deal that I will always remember him as a man who "always did the right thing when no one was looking." I will look forward to seeing Ed when I join him in the hearafter. If you knew Ed you were lucky.

“ With a heavy heart and teared-eyes, we mourn for Ed and family. As a long-time friend and fellow coworker of many years, we believe Big Ed epitomized the motto of the organization he joined as a young man.....SEMPER FI !!!!

“ I truly enjoyed every chance I had to work with Ed. He always had a smile and shared the humorous side of life. His laugh was infectious. He was a man of integrity and demonstrated that integrity in his profession. I always called him "Big Ed" because of his stature and professional standards.

He was one of the "good guys" and I'm proud that I had a chance to enjoy a small part of his life.

My prayers and best wishes to his family. I know they will cherish his memory.
