“ This is so bittersweet... while I am deeply saddened to have you leave us, I know that you will be reuniting with many of your loved ones. As Jona said when I received the sad news, "At least Eric is up there waiting for her." We love you and miss you, but we know we will see you again. - Kris, Tavo, Jona, & Hanna

“ *Codi and I are very grateful for the last few years that we were able to visit Grandma Rowley. Having the pictures to show Codi as he gets older will be so meaningful. We are so sorry to see her leave us but I do know that she has some wonderful angels waiting for her to come home. Grandma Rowley please give Eric an extra big hug from us-and we look forward to the day that we will be reunited with you all again. Love, Kim and Codi.*
