“ *Oh my gosh, I absolutely am devastated. I ABSOLUTELY love Mrs. Peggy. I worked with her as an Admin. Asst. when she was interim Director at CASA for Kids. She was so sweet, loving , funny, and kind. I just talked with her by text a few weeks ago. I am going to miss her so much. I am sending up prayers of comfort and strength for you at this time.*

“ I first met Peggy in 1967 when I became a member of Dixie Baptist Church and we were in the young women's Sunday School Class. Our children were near the same age and our husbands were both active in the Smith County Mounted Sheriffs Posse. I admired Peggy very much, and considered her a good friend. My condolences to her family. Frances Layne

“ Remember meeting Peggy for the first time in May 1985 when she and Bob Tindall hired me to work for Howe-Baker Engineers. Always dressed to the "T" looking so pretty in everything she wore we always had so much fun together! She was always kind and caring in her role there and when she was laid off from HBE, truly there was a huge void. We stayed in communication with each other and once again I had the privilege of being hired to work with Peggy at Trinity Clinic/Mother Frances Hospital where I remain today. Her leadership her caring for others is remarkable and something I truly value our relationship/friendship for. Peggy seemed to never met a stranger and if you didn't know her she would quickly introduce herself and make you feel part of her inter-circle. She was a proud Woman for which she surely had earned the right to be! Peggy loved her God her family and LIFE in general. Today I know I am a much better TISH because of this sweet Lady. My prayers and my love to her Family.

Miss Peggy, we have missed you for quite a while at Hunger For Love on Saturday mornings under the bridge...illnesses kept you away and each time we talked you said that you were planning on coming back soon. What a beautiful heart for others you have had! It was such a joy to serve beside you. You are loved and we will miss you greatly! ❤️
