“ My deepest sympathy to the family. Elvyn left many good memories for those of us that went to school with him. Even in junior high he was a hard worker in the family business. My mother loved him, which the azaleas and camellias he landscaped our yard with.... reminding us all of his horticultural ability when he was probably 15. He had high standards all of his life. May God give each of you in the days ahead, cherished memories and peace.

“ We are so sorry for your loss. Elvyn was such a very nice person. I am remembering the year that Kimberly married and you all let us borrow several beautiful fern hanging baskets for her wedding. It was in February and it was hard to get flowers then. Any time I would see you all at church, he always had a smile and hello. Shirley you have some great kids and friends that will be there for you. You and the kids just remember the good times you all had. God bless all of you. Love and prayers, Joe And Barbara Tolleson.
