June 12, 1945 – August 15, 2017

Emma Clare Flynn, 72, departed this world surrounded by family and friends after a heroic battle with leukemia in Tyler, Texas on Tuesday, August 15, 2017. She was the wife of Richard Wagner Flynn, formerly of Malvern, PA, who survives her.

Emma was born in Charleston, WV, the daughter of Elizabeth Anne Carroll and Arthur Kennedy O'Keefe, both deceased. She was raised in Middlebury, CT, Waterbury, CT and Beaumont, TX. A graduate of Georgetown Visitation Junior College in Washington, D.C. and Rosemont College in Rosemont, PA with a B.A. in Chemistry, Emma started a very successful career in the pharmaceutical industry, initially with DuPont, and then with Wyeth. After a 32-year career with Wyeth, serving as a pioneer and role model for women in the pharmaceutical industry, Emma began a consulting career, traveling around the world providing FDA compliance training for many pharmaceutical manufacturers. Emma and Richard moved from Malvern, PA to Tyler, TX in 2010.

Emma loved gardens, historic houses, who-done-it mysteries, and cooking. She treasured her friends and family, and enjoyed family reunions, dinners, gatherings, and she excelled at genealogical research. She is survived by her

husband and two children: Christine E. Flynn of Houston, TX and David C. Flynn (wife Baylee) of Tyler, TX; her seven siblings Arthur K. O'Keefe, Jr. of Austin, Texas, Michael C. O'Keefe of Austin, Texas, C. Richard O'Keefe of Henderson, Texas, James E. O'Keefe of Murchison, Texas, Carroll O'Keefe of Ben Wheeler, Texas, Margaret O'Keefe Cartwright of China, Texas, and Christine O'Keefe Poulton of Hartsburg, Missouri; and twelve nieces and nephews and their children.

“ Emmy was lovely, I m remmbering being friends at Central Catholic, her beautiful olive skin, the perfect line of her nose, her friendly and inviting smile discovering teeth so shining and white they looked like pearls, and hrr shining lovely dark hair ,too, but what really counts is that she was a fine prrson, intelligent, energetic, good and resourseful too, a modern woman, a spiritual daughter so to speak of Simone de Beauvoir,... I am so glad to have gotten to spend those few hours with her in the winter of 2013, when quite a few of us got together for a pre-50 years anniversary of graduation, which was such a joyous affair,

“ *Emmy was a family friend and colleague. We worked together at the Wyeth Plant in West Chester, PA, at The Wyeth Corporate Offices, at Quantic Consulting and most recently at Lachman Consultants. She was smart, energetic and above all she had a dogged persistence in doing the "right thing".*

Over the twenty seven years we worked together, Emmy provided support, guidance and at times a scolding...all of which was appropriate and appreciated. She will be missed.

“ *Emmy will be sorely missed; many a lovely dinner we had at our favorite restaurant, Misty's in Havelock NE. while on the project. My wife and I would meet her for dinner when she was near our home in Jersey, and Nancy and she became fast friends as well.*

Hard to believe that she is gone, but at least she is at peace. A wonderful lady.
