“ Dear O'Grady Family-

I am so saddened for your loss. Erin was a great friend who always made me laugh. I haven't seen Erin since much since high school, but everytime I think of those days, I have wonderful memories of her. Please find comfort in knowing that your family is in my prayers.

*Love,
Valerie*

“ I am heartbroken over the loss of Erin. She was always such a nice and kind person. She came to stay with me last spring and we took our sons to ride Thomas the Train, what I noticed most was that she was a wonderful mother. Her love for Jacob was apparent in the way she looked at him and the joy she got from watching him do the things he loved. I hope Jacob always knows how much his mom loved him! Jacob and the O'Grady family: You guys will be in my prayers for many years to come. If I can do anything to help during this most difficult time please let me know.

“ I saw Erin at the reunion and had the opportunity to catch up on things then. She was a wonderful, caring friend, and will truly be missed.

To her family: My thoughts and prayers are with you in this difficult time. God Bless

“ While I know you're in a much better place, it seems you went far too soon. I enjoyed your infectious smile and shared your love of chocolate! See you later, sweetie!
