“ We are so very sorry about the loss of your dear loved one. Words cannot fill the emptiness you feel when someone you love is no longer with you. Ethel was so full of life it is hard to imagine that she is no longer on this earth with us. When we think of Ethel, we recall her gentle kindness, her warm smile and her love of living. She was always working to help anyone who was in need. Her family was always the true joy of her life. What beautiful memories you have to treasure always. Our love goes to all the family.

“ Dear Dr. Knarr and Family,

Jerry and I are in Arkansas and won't be back for Ethel's service. I'm so sorry.

Ethel will be missed so much. She is one of those people you can't imagine not being here with her smile and positive attitude. I enjoyed visiting with her at our "I Love America" celebration. She was so faithful to our choir as long as possible.

Our sympathy goes to you all.
