“ *Mrs. Jean was the best neighbor! My children and I met her when a package of hers was mistakenly delivered to our house. We would regularly stop by her house on the corner, and she loved visiting with my kids (and they with her!). We saw her just before her house sold. We have been planning a visit to see her at the retirement community and are saddened to learn of her passing. She will be very missed by her Clemson Drive neighbors!*

“ I have many special memories with my Aunt Jean. I remember one time I had gone to stay a week at Aunt Jean and Uncle Tommy's house in East Texas. They had a pair of mean ducks. We started out the back door and the ducks were after us. She pulled me back into the house with the screen door between us and the ducks. We had many years of laughing about that "near death experience." :) She would call me her favorite daughter and I always called her my favorite aunt. I will truly miss her and I know that she is happy and healthy in heaven and she's looking down on me smiling that beautiful smile and laughing.

I love you Aunt Jean.

“ Jean was a wonderful neighbor on Clemson for several years. I loved hearing her voice on the phone asking me to come over for a glass of tea and a visit. We would sit and talk and laugh. I want to offer my sympathy to her family. You are all in my thoughts and prayers.
