“ *Evelyn was a great neighbor who had a terrific sense of humor. We always looked forward to seeing her at the neighborhood potlucks. She worked tirelessly to make those events fun for everyone, and she was a great cook, too. I got lots of recipes from Eveyn because everything she made was wonderful. Our deepest sympathy goes out to her family.*

“ *Everyone should have a neighbor like Evelyn. She was always kind, friendly, helpful and had a sense of humor.*

I was so sad to hear of her passing and to find out that she was alone at the time.

A few years ago, I had to call an ambulance with what turned out to be a case of Vertigo.

Evelyn came over while the attendants were loading me up, She was so kind, called my daughter who lived in Plano, locked up my house for me and later, she came and sat with me at the hospital while they were running tests. I thanked her for all she had done and for sitting with me and she said simply: "No one should be alone in the ER".

This is the kind of person she was. I will miss shouting hello to her across the street and

I want to express my condolences to her family.

Sincerely,
