“ *Tracy and Pam, You are in my prayers. Please be comforted by God's Spirit at this time of your loss.*

*I didn't know Evelyn personally, but I do know you. And I've always held that children are the best 'barometer' of home life. And, Tracy, as I know you to be a good friend and a fine man and husband, I can see that your dear Mother was a most splendid mentor to you from the very beginning, for your life has been a mirror of her love and Godliness. Peace to you and your family.*
