“ *The Evey family was privileged to know Darrell as a member of our extended family and as a dad and grandfather to our loved ones. It was very clear how much he loved his family and pushed through health issues to be there for them. His loyalty to Texas A&M and his demonstration of the Aggie spirit were evident to all around him. And if I remember correctly, I believe it was his direct influence that led my sister-in-law, Dana, to Texas A&M where she would meet and later marry my brother. We are praying for all of the family as you remember him today.*

With love,

Eva Marie Evey and family

“ My Uncle Darrell was a very special man that will be missed! He always had a kind spirit and a special story to share. I know my dad will really miss his little brother. My prayers go out to all of the rest of the family; we love you! Uncle Darrell was the one person that I can truly say had the biggest impact on me going to Texas A&M. From a very young age, I was so impressed with his love for Texas A&M. He was a true Aggie. I know all three of my kids were impacted by his Aggie spirit and are now alumni like their uncle and Aggie parents. I don't think I'll be able to go to another Aggie football game or tailgate without great memories of my Uncle Darrell and his love for Texas A&M. Darrell, you will be missed, but you will always have a special place in our hearts.
