“ I only met Floyd a couple of times in person but spoke to him regularly as we both worked for Kelly Springfield just in different states. He was always a pleasure to converse with and all that knew him enjoyed talking to him. It is a great loss that we have all suffered without him in our lives. My condolences to the family and all that knew Floyd, he will be missed.

“ Floyd,
I'm going to miss you and all of our talks we had, I'll remember them always. I can't recall anyone whose work ethics about caring for customers was as close, if not better than my own. We were **PEOPLE PERSONS**, we were a **TEAM** at the Tire Barn. You will always be missed.

“ Nelda,
We were so very sorry to hear about Floyd. Our deepest sympathy to you and your Son and Daughters. I know that he will be missed. I know that right now nothing can fill the void in your lives that was left by his passing, but you have your cherished memories, and even death cannot take them away. God Bless you and your family and we will remember you in our prayers.
