“ ...Flyin' Kites, Ridin' Bikes, Cuttin' Wood, and the Like.

Fast with a Smile, ..a Kind word, and Loving Advice.

He claimed He could fix anything but a broken Heart.

Whatever His role, ..He played the Part.

I watched Him burn lots of meat.

Whatever He smoked, beyond a treat.

Fast with a Smile, and a joke, or ten.

I'll miss Your Laugh, Now, and Then.

“ I've known the Miller family since 1965. We were next door neighbors. I will always cherish the fun times our families have had growing up. Frank always gave people nicknames for fun. My Dad was called sparky and I was called Farrah. I always called Frank "Charlie". I know Charlie and Sparky and Marilyn are having a party in the heavens today! I miss all of my angels.

“ My sympathy is extended to the family. Frank and I were best of friends in high school and roomed together for two years in college. We had lots of good times playing, visiting and studying together. David Williams, Ames, IA (Randlett High School class of 1953)

“ I met Frank & Mariyln in 2000, just after he had purchased "Frank's Tractor Parts in Tyler. We hit it off right from the start! Frank and I shared many deep 'belly laughs' at that old International Dealership and it was there that a lifetime Friendship was forged. Both he and Marilyn always welcomed me into their home and shared many meals with me at their table. It was a prviledge to have known both of them!

Now the Lord God has turned another page in His endless book and Frank and Marilyn are with Him in Glory. Both of them leave a splendid example of a good Christian marriage and lives well lived. Frank and I had a standing joke of who's Coca-Colas were the coldest when we met at Noonday Tractor Auction. Okay, Frank-- I really think YOURS were the Coldest!

Thanks for sharing your warm humor and friendship...and your COLD COKES!

Look forward to laughing with you again on the other side.
