

Frankie Joe Tincher

September 25, 1958 - March 2, 2024

Frankie Joe Tincher, a beloved son, husband, father, and friend passed away on March 2, 2024, in Tyler, Texas. He was born on September 25, 1958, in Gilmer, Texas.

Joe's heart-warming smile was a reflection of the life he lived – filled with happiness, cheer, and selflessness. He had a good sense of humor and was known for his clever puns. He was a devoted Christian and relied on his faith throughout his 15 year courageous battle with cancer. His faith, providing him strength in those times of hardship and served as a constant reminder of his purpose in life. His commitment to God was evident in his actions, his words, and in the love, he showed to those around him.

Joe began his career as an insurance agent, dedicating years to the field before transitioning to become a Pharmacy Technician at Christus Mother Frances Hospital in Tyler. His dedication to his work was surpassed only by his commitment to his family. His dedicated effort to provide the best for them was a testament to the depth of his love and devotion. As a devoted father and husband, he found solace in exploring nature through hiking, running, biking, or swimming, often with his loved ones by his side. Similarly, his passion for traveling allowed him to create cherished memories with his family, discovering new destinations together. Joe was a dedicated fan of the Dallas Cowboys, and enjoyed the Marvel Cinematic Universe and Star Wars. He

loved seeing the comic books come alive on the big screen. He delighted in sharing this experience with his family, watching their favorite characters and stories unfold together.

As we mourn the loss of his life, we hold tight to the memories we've shared and the legacy he leaves behind. Our sense of loss is immeasurable, but so is the love left behind. May his soul find peace in the arms of the Lord.

“ Joe never had a bad day, and if he did, you never knew it! And when you shared good news with him, he'd dance a little jig! He is the definition of strength, dedication, and resilience in my book! My new life goal: **BE MORE LIKE JOE!**
