“ Freddie was just out of boot camp and getting ready to ship out to Vietnam, home on leave. My dad (Roy L. Parr), myself (Viola Parr), my uncle (Bill Parr) and family came down from St.Louis to visit my grandma (Notie Frost) and A.C.. It was good seeing Freddie before he left. We talked along time driving around in his car while our fathers were fishing. I think I was about 13 at the time. I was blown away by how mature his outlook was on things. RIP family and friend Viola
