“ *What a special man!! Mr. Holt was so kind to my mother when my Dad died in an accident. The most beautiful marker, he was a true artist and wonderful grand father to my precious daughter in law, Ashley Halbert.*

Many people were touched by his kindness and will miss his tender heart and his humor...especially my son Robert who was threatened to take care of his grand daughter or he would be hurt.

Mr. Holt, you touched my life by being so good to my family and you will be missed. May God bless your sweet family!
