“ Gary was so bright and knowledgeable about so many things ....always willing to share and help you feel better. Choir always better with him. Will always remember when Will playing baseball long years ago, Gary gave him a lot of great advice of his “catcher” days at Duncanville. Gary was a PT for my grandmother....many blessings through the years I will deeply miss him. Prayers for all of family.

“ I know we were all shocked and sickened to hear the news about Gary. It still doesn't seem like it could be real! His upbeat and open-arms, always welcoming presence will be missed! We are so sad for those he was closest to, who will feel the loss so deeply. Faith provides comfort, and love shared never dies.

“ Gary was one of the first people we met after moving to the air park. He rolled down his window and said "I don't know you yet", then invited us to his Thursday night family dinner and told us he would pick us up in ten minutes. Seeing him always brightened our day, losing him has brought a dark cloud over our home. It is hard to imagine how his wife and family can cope, hopefully their faith will smooth the road.
