He will also be missed by his fellow prison inmates who were very sad when this vicious sex trafficker was released instead of serving a life sentence. His fellow inmates wanted to butt-buck Gary to death

“ *Gary Kimmel was a wonderful friend and blessing to our family. He was an inspiration and very compassionate with my late husband, C.C.Baker, in his final stages of life, visiting him daily at home, then at the hospital, and finally during the last nine days of his life at the Hospice facility. I will always be indebted to him for his help and rejoice that he was part of our lives and that Tyler has had such a wonderful person in our midst. His family will be remembered with love and gratitude for their sharing of him at this time of their loss. Brenda Baker*
