Gaylon Son's daddy helped build my mother and daddy's house in 1953. He and I became playmates that summer as he would come to work with his dad. A very nice person.

I remember Gaylon and my grandfather building the church as a child. Gaylon was always a positive role model for me and we always had special talks when we played golf. We had plenty of time to talk as we were both terrible golfers:). I will miss him always.
