“ AI, Alexander, and all of the Kamel and Horaney Families:

We are standing with you in sharing your loss and can only offer our many prayers for your peace and comfort at this time. Knowing that Genny is now free of her earthly pain and suffering will provide some solace for her loss; we are sure, but cannot erase all of the tears and sadness. Treasure your memories; and those you have of Genny that remind you of who she was and how she lived. I am sure that will dictate how she would like to be remembered in your hearts. She was such a strong, passionate, and caring person I believe she would want you to hold on to those thoughts of her, too.

Our love, thoughts and prayers to you all; as well as our open offer to help with anything you may need.

Much, much love,

Marshal, Belinda and our family
