Mr. Barron was a charter member of Green Acres Baptist Church and the creator and owner of Tyler Printing, Inc. until his retirement. He was a people person first class, served our country in the Korean Conflict, was an avid golfer, winning the Senior Club Championship at Hollytree Country Club, an accomplished bridge player and teacher, built and raced sports cars and boats, was a musician with a great singing voice and a 50 year member of the Masonic Lodge. He read thousands of books, many of them a dozen of times, bringing to life the characters in mind and heart. He was the great story teller and entertainer for his family, especially for his grandchildren. George will be remembered for his quick wit, spirit of adventure, daredevil personality and tenaciousness that allowed him to achieve top rankings in many endeavors. He produced shoes that no one will ever be able to fill but memories will have to sustain us.

“ George was a great friend and a good golfer. Our golf group had many good times together as couples, and we all enjoyed Virginia and George those times. George liked to play fast, and often said he and I could play Hollytree in two and one half hours. We played many rounds together and all were enjoyable. Our grandson, Ben, liked to sit in the nineteenth hole and drink iced tea with George. We both had to give up golf in recent years due to our health. Hopefully, George and I can play a round in heaven sometime.

“ George was a wonderful man whom we loved and admired. He was articulate, well read, warm, funny and never, ever met a stranger. He and Virginia were a great couple and an example of what a marriage should be. Our world is dimmer today but heaven is much brighter.
