“ *I remember so fondly my visits in the King Family home when I was a child! I always had so much fun being with this great family and found inspiration in their active faith and commitment to the Church. I was always made to feel special and honored, a feeling I have carried with me many years. A wonderful man who will be missed here, but finally home and singing with the heavenly host! Love to all the King family.*

“ *Brother Bill was a kind Christian man, and I vividly recall his directing song services at church from my childhood on up. I can just hear him starting off “What a Friend We Have in Jesus”! No doubt he has a lot larger congregation, a heavenly host, to sing it with now.*

stumbled on this looking for Tanya; George, was a surrogate father to me as teenager. these memories were conveyed to him in person some years ago; if i have regrets it is about separation as we have aged. we had many adventures. Rodger Coneay
