“ Randy Jones was a GOOD Soul. Although we haven't kept in touch over the last many years, he and I shared a unique Friendship. Not only were we both PROUD members of a sparsely-talented musical group from LC-M High School in the Mid-1970's --- called Bone Orchard --- named with ENTHUSIASM by Randy himself --- we shared a medical Bone/Joint experience. On a TOUGH Friday night in Liberty, TX in early October, 1975 --- a Battlin' Bear Loss meant a little more to Randy Jones and Clint Plant --- we both shared an Ambulance Ride to St. Elizabeth Hospital --- where a few days later --- we both got to "enjoy" an Orthopedic Surgery. But I'll always remember Randy wheeling down to my room in the Hospital --- cracking a joke --- making me LAUGH --- and helping me realize Life-Would-Go-On!!!!!! I look back fondly on those formative experiences with Randy --- and his positive attitude and approach -- - he was always a GOOD FRIEND to me --- and so many others. Love ya, Bro. Randy B. Goode!!!!!!

“ Randy was one of my brother Steve's best fishing buddies. Over the years, I heard about the crazy fun frat parties at Stephen F. Austin and knew Randy's name. When Steve had emergency surgery several years ago, Randy drove hours to assist in his care. When Steve passed, it seemed logical to "Will" Steve's fishing poles & tackle to Randy. Now, they both are sharing another great fishing adventure! God bless, much love and condolences to the family. Deepest sympathy, Lila Blakeslee & Paul Genke

“ I was Randy's big brother in our fraternity while attending SFA in the late 70's. I have many fond memories of him and our times together. After graduation, we lost touch but reconnected about 10 years ago. I'm so glad that happened! On multiple occasions he let it be known that he was most proud of his daughter and her success in her academic endeavors. While he struggled with health issues, he kept a positive outlook and never gave up hope. I will miss you Randy. Rest in Peace.
