

## Gerry Randall Dunlap

November 25, 1946 - June 4, 2024

Services for Gerry Randall Dunlap, 77, of Tyler will be held on Wednesday, June 12, 2024, at 2:00 p.m. at Stewart Family Funeral Home with Fred Smith officiating. A private family burial will be held at Rose Hill Cemetery prior to the service with officiants Rev. Lee Poe and Rev. Ron Wells. Visitation will follow the service at the funeral home.

Gerry passed away suddenly Tuesday, June 4, 2024, in Tyler. He was born November 25, 1946, in Marshall to Malvin and Nina Poss Dunlap. Most of his years, however, were spent in Tyler.

Gerry was preceded in death by his parents, his son Josh Dunlap, and infant step-grandson Landon Moore. He is survived by his loving family including his wife, Martha McKinzie Dunlap; his daughter Ginger Dunlap and her son Jude Valencia; his stepsons Brandon Moore, David Moore (Lucy), and Matthew Moore; his step-grandchildren Tristan, Hayden, Ally (Cody), Madison and Maci; plus 3 great-grandchildren Aspen, Cade, and Ayven; sister-in-law and brother-in-law Kay and Jim Joiner, sister-in-law Gail Clark; special family friend, Jody Anders, and several nieces and nephews.

Gerry was a member of Green Acres Baptist Church. He (and Martha) attended Gary Elementary, James S. Hogg Jr. High, and graduated from Robert E. Lee High School in 1965. The following years he attended Tyler Jr. College and graduated from Baylor University in 1969. He then served in the

United States Army. One of his favorite endeavors in later years was conducting recorded interviews with East Texas war veterans in conjunction with the Library of Congress. Having recently traveled to Normandy, France (April 2024), those war stories were vividly refreshed and even more deeply appreciated.

For 35 years, Gerry was in the outdoor advertising business, owning his own agency before retiring. After Martha retired from teaching in 2004, he and Martha began working together conducting Divide & Conquer Estate Sales. They enjoyed making new friends through their business, their church, their travels, and everyday life.

Gerry was a gentle giant who was full of life, faithful, dependable, and always anxious to make someone laugh. Those who called him Sweet Darling, Dad, G-Pop, Papa Gerry, BG, G-Man, or just Gerry knew what a fun, upstanding, reliable person he was. Being with family and friends was always a pleasure.

The pallbearers will be Sam Dawson, Dr. Mike Rowan, Joe Jones, Dr. Jay Morrison, Marc Morrison, Tommy Tomlin, Dennis Thompson, Margarito Contreras, John Jones, and Joe Sutton. Honorary pallbearers will be the Divide & Conquer Estate Sales team members . . . guys and gals . . . plus George Tefteller, Richard Davis, Casey Norris, and Bubba Norris.

“To everything there is a season, and a time to every purpose under the heaven; a time to be born, and a time to die; . . . a time to weep, and a time to laugh; a time to mourn, and a time to dance; . . . a time to love . . . and a time

of peace.” From Ecclesiastes 3

“ My one and only Uncle Ger, how very special you were to me. I'm full of memories of you taking Josh and me to the park and rolling us around in the wheelbarrow. I loved listening to your deep voice telling funny stories and your big bear hugs. What a gentle giant you were with the sweetest, most honest soul. You will always be one of the best parts of my childhood. Rest in Peace, big bear!

“ Tyler just lost a treasure of a man. Gerry Dunlap man was just an all-around superb fellow, a prince of a guy. I worked with him back in 2003 at TJC West for the The Veterans History Project which the Library of Congress collects to preserve and make accessible the firsthand recollections of U.S. military veterans who served in various wars and peace-keeping missions. This was done on video and we had a room set up as a studio there some 20 years ago. I was the camera guy and Gerry did the interviews with these veterans, probably 30 or 40 interviews in total. As one might imagine, some of these men served in WWII, Korea, Vietnam, up to Iraq and Afghanistan and their stories were beyond gripping-- the horrors of war were laid bare as Gerry walked them through their time in basic training through the time they were discharged. Some of these old soldiers, "heroes" we can say, at first came into the room strong and self-assured but when Gerry got them to sit down at ease to do the interviews, that's when things got intense. And Gerry was a real pro who knew how to ask the right questions at the right time. Many of these men broke down in tears recalling their time serving our country. Some would start shaking so terribly we had to stop the camera and let them retake their composure. All the while Gerry just let them tell their story while he held their hands. These men trusted Gerry and some said the things they said on camera they'd never talked about in 50 years or more-- to anyone. It took a kind soul like Gerry to bring it out of them, a good listener who cared. I get the feeling he was like this with everyone he ever met.
