How do you describe a man like Glenn? He was the kindest, most thoughtful man I have ever known. He was Arlons best friend and always ready and willing to help me with any thing I needed. He and Jean took me in as family when I was all alone. He left this earth with many stars in his crown. He loved Jean and his family so much and was such a workaholic. He will be sorely missed.

“ Glenn and Jean were our neighbors and church friends in two churches for 46years. I have loved them a long time. They came to my aid and my side to walk through the toughest time in my life. They listened and they encouraged and loved me back to life. They showed me what family was and patterned their marriage and life after Jesus. Life has been hard for them and I will miss seeing him so much but I rejoice he is with Jesus. Rob, Beverly and Laura, oh how they loved you. They loved you well. Blessings to you and your family.
