“ I remember meeting Uncle Glenn for the first time on the side of the road in Alabama. He was traveling across country in his truck. He had been described by my future husband Mike as a larger than life character with a grand sense of humor. He was that and more. I will remember him more though for being a devoted husband and father, loving grandfather, brother and uncle.

“ My thoughts and prayers are with the Marsh family as they lay Glenn to rest. May God give you the strength during this time. I know it will not be easy, losing a loved one never is, but know that he is preparing a place for you all to be by his side again in Heaven and oh what a joyous reunion it will be.
