“ *I miss you so much still. It hurts so bad that you are gone. I wanted so bad to share Jaiden's first day of school with you yesterday and I was feeling so down that I couldn't talk to you about it. But I know you were there in spirit.* ”

Glenn's caring nature will be missed. He was always looking out for everyone he came into contact with. He has such a loving spirit. I pray he continues to watch over those he loves in the place he rests now. He has such a big heart this world could not contain him. Thank you Glenn for always being so kind to my daughter and grand daughter. Thank you for helping them in any way that you could. I appreciate you so much for all that you did for them. I never took a chance to tell you what a wonderful man you are. That was my mistake. I want the world and your family to know how awesome a person you are. God bless and Rest in peace, Glenn.
