“ Leigh, We are so sorry for your loss. I always enjoyed chatting with Glenn. I'll always remember when y'all lived at the Nest and I slid down your hill in the car and Glenn had to pull me out of the mud. We put on quite a show for everyone. I also remember sitting in his little lap, in your truck, when we went to Jerry Ring's funeral. I was so heavy but he never said a word. LOL We will always have those good memories.

We love you and are keeping you and the family in prayer. Sorry we couldn't make it for the funeral. Take good care of yourself. I will be in touch soon.
