“ *My friend, Gloria Taylor was such a beautiful human being and I am a better person having her as my friend. She always did the right thing even though it could make things more difficult for her, she stood by what was right. She always had faith in God and "walked the walk" and was willing to help others with her joyful, funny and loving spirit. I will surely miss my friend.*

*Thomas, we are so very sorry for your loss and wish you the best under these circumstances. XO*

“ *I will never forget Gloria's beautiful smile and compassionate spirit. I was always amazed at the way she took time to send us cards with her handwritten encouraging words. Thinking of you, Tom. John and Cathy Reynolds*

“ My dear sister/cousin will be sorely missed. To Tom, Eric and Casey blessings to each of you. When your heart is empty, filling it with happy memories can help. Sorrow is a fleeting emotion, but love is infinite. Thinking and praying for your comfort during this time.

Love,

“ Gloria was a special lady I had the privilege to call my sister. She loved Jesus and shared His love with everyone she met. She had a servant's heart to do for others and always had an encouraging word. She will be missed, but never forgotten. My prayers are with Tom and her family.

“Gloria was such a quiet and nice lady. We loved her dearly! Was very faithful member of Great Expectations class at GABC. I remember her always hugging me each Sunday morning. Her beautiful smile was ever present. Her and Tom gave me gift cards and sent notes of encouragement to me. I will never forget her love for us , the Lord, and our class. She loved Tom so much! She will be greatly missed! Love, Charlie and Betty Jones.

“She was a person who knew how to appreciate every moment of life. We will remember her for her optimism and positive energy which radiates through all of us. We will remember her as one that loved Jesus with all her heart and is now celebrating life with Him. We also know that Jesus is lifting Tom up with His great love and comfort, we love you Tom.
