“ *May you Rest In Peace. To the father I never knew. Finally, there's closure for the broken heart you gave me. I forgive you! I loved you and had absolutely no reason to. Changed my name so it would match my blood families. Your 1st born. Kris Alexander*

“ More than anyone else on the planet, this man did it his way. I'm incredibly sorry that he struggled with such a devastating illness at the end, but he was so fortunate to have the loving people he had around him to ensure he was well-loved and taken care of. I cared deeply for Frank - he was probably the only person I ever met who could out-stubborn me, and I respected him for it. I was happy to have known him and to have him as Big Pa for my kiddoes. RIP Big Pa.

Love, Carla Alexander
