“ Haile was one of the best coworkers I have had the pleasure to work with. She always smiled and greeted me whenever I came into her shop and she had recently received an award that embodied our culture at Cash America. She was so excited about the award and her future. She shared with me many personal things going on in her life and she was very optimistic about her future. Needless to say so were many of us who knew and cared for her. She will be missed greatly and it will never be the same without her. Our prayers are with her and her family.

Sincerely,

David Winn
