

Harley Daniel Crouch

October 14, 2003 - July 30, 2024

Harley Daniel Crouch was born October 14, 2003, and passed away July 30, 2024.

From the day he was born, he was the most unusual child because he had the most beautiful red hair at birth.

He was the most unique individual we have all known. Even though he was only 20 years old, he had an understanding of life most don't understand until later in life. Physically, he was a specimen of perfection, strong, fiery, and of excellent character.

Mentally, he was far beyond his time in his ability to discern how fragile life really is. He wanted everyone to be at peace and wanted everyone to get along and wanted harmony with his family and anyone he ever met. He knew the importance of forgiveness and harmony.

To everyone who knew him, it was evident that he was a very special person and he had an impact on so many people's lives today, tomorrow, and in eternity.

“ My deepest sympathy, thoughts and prayers for Harley Crouch family and Kayleigh and her family.

He was a wonderful person inside and out, a great friend to my son and so many others, always happy to help. I'm sad beyond measure for everyone. God bless you all and help you through the days and years ahead. May he comfort you with his grace and love. Heaven gained another Angel, who will fish to his hearts content and be a friend to all he meets. We will see him again someday. RIP Harley

“ Harley was such a great guy . He was very dependable ,very funny and always kept his word. I had many of great memories fishing with him and hanging out with him at the Bella Vista. I wish I could spent more time with him in the past year. I pray for peace and rest for his family. I know he’s up in heaven fishing and having a great time.
