“ *To the family of Little Haven Grace, Although you do not know me and I do not know you, I would like to extend my deepest and sincerest sympathy to you.*

*When reading the obit of Rev. R. W. Schambach, I came across this obit also. My heart breaks for any parent/family that loses a child. But know that little Haven is now in heaven with the Lord. She will never have any pain or sickness ever again. She doesn't even remember that she ever was sick. She is having soooo much fun playing with all the other little children and she has made lots of new friends. Of course she wouldn't have a problem doing that since she was and is such a friendly little girl. May God continue to bless and strengthen you and every day.*

*Keeping you in our prayers*
