“ I am so sorry to hear about the loss of your dear Mom. My thoughts and prayers are with the entire family during this time. Please call upon me if there is anything that you need, if you just need to talk or get away for a while, I will be there with open arms to comfort you. I love you girls and what a wonderful commitment that you had to you Mom. I know that she was very proud of what you did for her and now she is at peace and would want the same for her children and grandchildren. She was a very special and beautiful lady and I know that she will be missed greatly by the two of you. Hang in there...be strong for each other. God will watch over you both and he now has a beautiful lady as a heavenly angel.
