“ Dear Thompson Family,

As I and my siblings continue to recall all the wonderful childhood memories from "the neighborhood", I couldn't forget to remember that your mom really, truly saved my life. We were swimming at the Fair's pool and I was about 4 or 5. I was in one of those swim rings and all of a sudden someone noticed I had slipped through the ring and was under the water. Your mom jumped in, clothes and all, to rescue me. How blessed we were to have a neighbor like your mom. She will be remembered well.

*Grieving and remembering with you,

“ To all the Thompson siblings and your families, I want to say how sorry I am in the loss of your mother. I know that all of you will have a hard time adjusting to her absence in your lives. As I sat through the lovely service today, I was flooded with memories of your mom. I have often told others about the fabulous childhood I had and many of those memories were at your home in which your mom welcomed me and my siblings with such kindness. She loved to see me struggle in getting large pieces of watermelon in my little mouth. She let me come and sit on her bed to watch "Hee Haw". She helped Albert and I to know how to make sassafrass root beer. She allowed Albert and I to climb on the roof so that we could get on the 6 foot stilts. She gave so much of herself to allow us all to have such an idyllic childhood. You are blessed to call her "mother". And I was blessed to have her in my life. As you grieve her absence, may God fill you with His peace and flood your minds with precious memories.

*Much love and fond memories,
