“ Although most of my contact with Helen was over the phone during an insurance call to Schambach Revivals, I remember her as one of the most kind and caring people I have ever known. She was always cheerful and upbeat EVERY time I called! We had several conversations about her insurance policy and during those conversations she always brought up her relationship to the Lord and how much she loved Him. I ALWAYS hung up from those calls uplifted because of talking with her and tried to strive to be like her in my telephone calls. I know that Heaven is rejoicing in her entrance and the Lord has indeed said "Welcome, my good and faithful servant - enter into My rest". I shall miss her cheerful voice answering the phone for Schambach ministry and am praying for peace and comfort for her husband and daughter. I will miss you, Helen. You were indeed a great lady.
