“ *Kathy was one of the sweetest and most loving people I have ever know. She was my Mother, Sister and Best Friend. She always kept me grounded. She had a way of making me see what was right and why I should choose that path. She was my first connection to my faith as she took me to Sunday School and Church when we were still at home. She left to got to college and I thought the world would end. Even getting my own room for the first time didn't help much. I remember hiding her keys one weekend when she came home from school so she could not leave. Daddy "hot wired" the car so she could get home and get her second set of keys. Darn the bad luck. I will miss her dearly but I know she is Celebrating Jesus birth in heaven with Mother, Daddy and Mama. What a wonderful and joyous Celebration. Love you as much as Blue Water and White Sand. See you again one day.*
