“ We loved Denny, was not around him a lot especially as we grew older and everyone seems to move in different directions but, we loved him and thought about him and glad his suffering is over and he is in a better place.

“ Denny was definitely one of "the Good Guys". We were only 9 years apart but I always looked up to him. One of the main things I remember is that he was a major influencer to convince me to go to Texas A&M. That happened during a 2 hour conversation during a Thanksgiving weekend when I was probably a junior in High school. Denny was always upbeat, always dependable, and always a good friend and uncle. We wil all miss him so very much.

“ Uncle Denny lived a life of honor...one to be proud of. He was a wonderful father and provider for his family and loved his grandkids like crazy. He had a way of making me feel so very special and always wanted to know what was going on in my own life. I'll cherish the day last year that I stopped by his house and spent an afternoon with him. Now there is no doubt he has been welcomed into paradise and has seen the glory of God first hand. He was greeted by so many loved ones who have gone before him. How I would love to be sitting at the table between him and my Daddy and across the table from Granny and Grandpa and aunts and uncles who have gone before just hearing the stories and the laughter and celebration...but that will wait. To his family- I love you all and have mourned my Daddy as you mourn yours now. My thoughts and prayers are with you. Much much love. Nancy Gaye
