“ Ira was one of the best men I’ve ever had the pleasure to be associated with. Extremely intelligent and a great sense of humor, I always looked forward to our business meetings because I always knew I would learn something new from him and he would be very encouraging to a young, green-behind the ears individual who knew nothing. I thought Ira and Dot hung the moon and I’m so happy they now get to spend eternity in heaven together. Take care big guy with the time glass shoulders. Was always thankful you were a mentor and friend. God Bless you and thankful for my memories of you.
