“ Mrs. Hansen was a gift to the teaching profession. She instilled a lifelong love for learning in so many students, myself and my husband included. It's been 44 years since she was my first grade teacher, but I remember most everything thing she taught me. Thank you so much for sharing your precious mom and grandmother with us. Prayers of peace and comfort for your family.

“ So sorry to hear of Irena's passing. I taught with her at Pecan Grove and always enjoyed visiting with her at school. She was like a grandmotherly image to the students and her coworkers, everyone loved Mrs. Hansen. She loved teaching and touched so many students' lives at school plus those she tutored at her home. Thinking of all her family during this time of sorrow.❤️

“ Dear Hansen Family,

We send our deepest sympathy for the loss of your mom. We know she is celebrating in heaven now.

We hate that we lost touch over the years. We will not be able to attend on Sat. as we now live in MO.

She was the most wonderful Godly person we have ever known. We have some wonderful memories of your parents. They were great neighbors and foster grandparents to our children.

One of our fondest memories was her trip to Germany. We had a great visit with her. We visited Neuschwanstein Castle and it was quite a walk up the side of the hill. She whipped us walking up!

We are lifting you all in prayer.
