“ It has been many years since I have seen J W. He and my brother, John L Denning, were close when they were younger.

I remember a picture taken in Premont, Texas of J W and John L putting up a tent. He had blond hair at the time.

The last time I remember seeing him was when my mother, dad, younger sister, Margaret, and I lived in Abbeville, La. Uncle Lloyd, Vaudie, and 5 of the boys lived there at the same time. J W was in the service and came there for a visit.

He was stationed near New Orleans at the time. John L was living in New Orleans at the time.

I have often thought of him over the years. I'm sorry I wasn't able to see him again before he died.

I am glad to know he was a Christian.
