“*Both as a patient, and as a childhood friend to Russell and Steve, Dr. Park was always softspoken, kind, and humorous to me. And, I know that my parents, as well as many of my friend's parents (Ericksons, Ogdens, etc.) feel tremendous respect and affection for Dr. Park. I can only imagine the loss you must be feeling from his sudden passing, and my heart felt prayers go out to you.*”

“ Rose, Steve & Russell -
On behalf of my family and Dad, Mom Michael and Suzanne, I want to express our sorrow at hearing the news. I have wonderful high school & college memories of being around Mr. Park and your family: from hanging out at the house to freezing out on the Lake in Tyler. He will be missed by all, but try to find comfort in knowing that he is in a beautiful place. We will keep you in our prayers!

“ Rose, I was so sad to hear of John Paul's passing. JP was a wonderful man whose life was a testament to integrity and righteousness. I remember with great fondness the many happy times we had singing in the choir and the rock and roll quartet. My prayer is that our Savior will wrap His arms around you and the family and hold you close. I can not imagine the loss you feel but know your faith will sustain you. Please know you are in my prayers now and will remain there.

“ We were so sadden to hear the news about Mr. Park. He was like a second dad and Paw Paw to us. We have so many fond memories that we will always hold close to our hearts. I will also remember our trip to Galveston when he stayed in the hotel with the kids so that we could go to dinner. Then he ended up walking Claire all over the hotel because she wouldn't stop crying. How patient and loving he was. He was truely a blessing in all of lives. Our hearts are with you all during this difficult time. We love you all.

“ Mrs. Park, Steven, and Russell,
I am truly sorry to hear of your loss. The one thing that always
remember was Dr. Park's calm and relaxed demeanor. Till this day, i
remember going to the baseball games at Jack Beard field while
Russell was on the Cubs with my brother Joe, Dr. Park would
always take the time to say hi and ask how they were doing; to
everyone young or old and actually wait for a response. Our
thoughts and prayers (from the entire Gleason family) go out to you
all. Take care.
Best regards,
Ted Gleason
