“ Mrs. Ferguson and family. I was a young License & Weight Trooper when I was stationed in Longview in 1975. Jack was our Motor Carrier Investigator in Tyler and took all the time to answer questions from a 22 year old with one year's experience. He was the funniest and sharpest Troop I'd met. I've been gone from the State several years and the last time I saw Jack was a few years back in Tyler. What a great guy and early mentor in my law enforcement career. His work here being done, I know where my brother Mason and Christian now resides. God bless and keep you all. Steve Breazeale "A" School '74
