“ *Suni, Marty and Lynne,
I wanted to tell you how sorry I was to hear about Uncle Jack sudden passing. Even though we didn't see each other often enough in the last 20 years, I always looked upon him as an inspiration for what a successful and yet good-natured person should be. I know I will miss his jovial personality and can only imagine your sorrow at this difficult time. Please know that you are all in our thoughts and prayers.*

*Much love,
Rob and Thuy*

“ *Suni,
I am really sorry about your sudden loss. I know you will miss him tremendously.*

Uncle Jack was truly one of kind and I will certainly miss him too. As a kid, I remember being really excited knowing I would get to see him. Not only because he had a Corvette and an airplane, but he was someone who would took over a room with his swagger and grand sense of humor. He was truly a 'larger than life' figure.

“ Suni, Lynn, Marty, Mom and Uncle Bud - I am so sorry for your loss. I know Uncle Jack meant a lot to you all, as he did to me and anyone he came in contact with. He had a rare and extraordinary life that could have only happened to the extraordinary person that he was. I feel very fortunate to have seen him at Mom's recent birthday celebration. While there, he called me a 'darn capitalist.' Coming from the ultimate capitalist, I felt as if I had just received my master's degree. I am honored to serve as his pallbearer. God bless him and all of you.

“ Jack was an extraordinary man. As good or better than the supreme confidence he always projected. Highly successful at whatever he undertook.....probably the best businessman I ever worked with and over the past 55 years, that is a bunch.

Jack was a man with deep feelings for those he cared for.....especially his immediate and projected family. I always admired the way he and Carolyn could go for weeks or sometimes months without communicating, but there was not any doubt about their shared love and deep affection. A special man who will be missed, especially by those close to him.
