“ I am so sad to hear that my long-time friend, Jack has passed. We spent many hours fishing together. Just about 2 weeks ago we talked about getting together and fishing together. I will always remember his positive attitude and smile. He was an incredibly generous man. He will be missed!

“ I met Jack in September, 1963. I had just moved to Alexandria, La. We were in the 10th grade at Bolton High School when Jack, Skip and Joe Holcomb invited me to join their car pool. I was very delighted to do so.. Jack’s car had an “Aaooga” horn and a wolf whistle. We would tool around the local burger hangout in search of girls, but never found any, mainly because we were all too shy to talk to any.. 🙄

Although my family moved to Shreveport the following fall, Jack and I stayed in touch. It’s a good thing he told me he was going to LA Tech, otherwise I don’t know where I’d have gone to college. We roomed together the first Semester. He met Diane shortly thereafter and fell totally in love!! (Good choice!!) After graduation, Jack got a job with Crawford & Company and was assigned to Lafayette, LA. He told me (I graduated the next quarter) also applied and was also assigned to Lafayette. Long story short, Jack and I stayed in touch all these years and I am so thankful for his friendship! He was such an outgoing and outstanding person that he had many friends. He was a true friend. It breaks my heart to see him leave us so abruptly.. May God bless Diane, Trey and his family..
