“ Aunt Peggy, Susan, Angie, Mark and Family

I'm truly sorry for your loss! Uncle Jack was loved by all of us! I know I don't get to see him all that often....that's why I truly love Thanksgiving when we always got to see each other! He always had the best...tightest...sweetest hugs and we always knew how much he loved us! I can only imagine how difficult this is on all of you and once again, I'm truly sorry. Please know I'll keep you in my prayers! Sending lots of hugs your way!

*Love you all!

“ Although we are not able to be part of the ceremonies celebrating Jack's life over the next few days, know that our thoughts and prayers will be with Jack and the entire family he leaves behind. Jack will be missed by all that knew him, especially his children, grandchildren, and great grandchildren that had the opportunity to know him. We know that he is in a better place and that he and his family will find peace through God, and in time.

With sincere regards,

“ I have known Jack since the Red Barn Steak day's. He was always glad to see you and greeted you with a smile. My business was near his on Broadway so I often saw him around town. He had a special talent for business and worked hard to be the success he was. I know he will be missed by many.

“ Jack and Peggy had just started the Red Barn Steak House in it's original location where Shoguns is now. Broadway ended at the loop and turned into the Jacksonville Hwy. It was two lanes with a gravel side and there was nothing but cow pastures around. They gave a skinny red headed kid a chance to work as a busboy for \$1 an hour. For four years, through high school, I watched and participated as their business grew. Jack and Peggy taught me about work ethic and employee boss relationships and what it's like to work for friends. Thanks for all you did for me in my first job. With great respect, Dean Hanssen
