“ *Jackie and I worked together at Alief ISD. We also shared that we had known someone from Kennedy. She was a special and loving friend. She played the music at my son's wedding. A very talented friend. She had gone through rough times in her family. Lost track of her and am sorry to find out she passed. God bless her family.*

“ Jackie was a very dear friend. We met when both of us first served on the TESA Board and shared a hotel room. We had a lot of fun together over the years and my memories of her will remain in my heart forever. My prayers are with her family, especially Frank.

My prayers & condolences go out to the family of Jackie. I know Debi & Julie from our college years. Through the years I have kept in touch with Debi. Debi has only spoken of Jackie in such high esteem, obviously she was truly precious and loved deeply from her heart. I pray the Lord comforts you all with only the perfect peace He provides.
