“ *There is so much to say about a man who loved his family. When he loved , he loved unconditionally. He was a hard worker and always provided for his family. When Kaye was born, she was the light of his life and was until his last breath. Kaye remember all the good times you have had with your dad and God will provide the comfort you need when you need it most. James loved all of his family completely and he was loved and will be missed by many.*

“ *Daddy always had a good book to read thats where I got my reading from, Like I told him many times you can go anywhere in a book. He was my library when I had nothing else to read. He was my rock when I was down on my luck, he wanted us kids to be happy and be strong like he was. He loved his grandkids he enjoyed spendin time with them even though he was a hard working man. He loved the farm and the cows. I love you and you will be missed by us all you may be gone but you will never be forgotten,*
